Undersecretary for Human Resource and Organizational Development
Department of Education Central Office

Subject: Request for Change of Recipient Schools for Learning Continuity Spaces (LCS) under BEFF 2026

Dear USEC Cabral:

Greetings.

This Office respectfully requests approval to reassign recipient schools for the Learning Continuity Spaces (LCS) under BEFF 2026, as detailed in Attachments A and B. The originally selected schools (highlighted in Attachment A) no longer require these facilities or lack sufficient buildable space, making implementation unfeasible.

The proposed new schools (listed in Attachment B), however, face critical classroom shortages from rising learner populations. Temporary facilities are vital to prevent disruptions during ongoing and planned expansions, ensuring a conducive teaching and learning environment.

Moreover, with most regional sites in mountainous areas featuring uneven terrain, the scope of works includes site leveling and slope protection for stability, safety, and proper installation.

We seek your favorable endorsement and approval for this LCS reallocation.

Thank you very much.

Respectfully yours,

RAMIR B. UYTICO EdD, CESO III
Regional Director
Negros Island Region
